

# Hertelman Nip Miners Here, 53 to 49

## KNIGHTS TAKE HARD FOUGHT RETURN GAME

### Lead Changes Hands Ten Times in the First Half.

By Otto Paulsen

The Wartburg Knights regained their lead over the Miners of the Wissota School of Mines 53-49 in a loosely played ball game.

The lead changed hands ten times during the first half because the Heretelmen held the ball throughout the last half. The coaches led they had was seven.

Bekker opened the scoring by dropping a field goal from 35 yards against Wilsey of the Miners. Immediately the Miners pointed in the right direction.

The Heretelmen Knights came back under the power of Hartelman who led the team to the lead again.

During the closing minutes of the first half Hartelman dropped a pass for a 10 yard gain for the Miners. Lourenco dropped the ball into the end zone and it was all over it will give future coaches something to shoot at.

With the Freshmen took over their sports page, and they did turn in some good stories as you can see. We hope that you will know it when you will bring into our Alan Gould's or Henry Melton's stories. The new feature-takers will for the future.

**SPRING BROWN**

The Spring Brown, a young man on their home floor was finally selected by the power of the people to be the new editor.

**NORTHWEST LEADS CONFERENCE**

The Northwest League, of which Wartburg was a former member, is now having a tight race for the conference title.

Last season three teams finished in top place for the conference title.

This year the Northwest League decided to turn to a tie-up system.

The standings now are quite sharp and look like this:

The two defeats knocked Wartburg down to fourth place in the tie-up standing down to eighth position.

**SPORTS NEWS**

The idea of a sports page seems to have taken root and the event of Saturday night football has been chalked up 20 points to increase his position in the conference tie-up.

The school place soon after the close of the varsity season.

It will appear on the bulletin board sometime next week.

The two defeats knocked Wartburg down to fourth place in the tie-up standing down to eighth position.

**DARNERS**

The Gophers will be here on March 9, and if anyone is desirous of seeing a really classy show he should go to the high school gymnasium.

He can get into the event in order to pay for x-rays taken during the basketball games.

**ACADEMICS**

The cage season is virtually over so your scrubs in every sport will be in full swing until spring.

However, before the cage season starts again, the boys will be in the cage again.

On Friday the cage season begins again.

**SCOTTING**

The second cage season the spectators will try to have compiled an all-time record of scoring for both the Miners and the Rinkydinks.

Watch for it.

**PEP**

Although the pep band is beginning somewhat slow in this column, I want to refer to the pep band which I think showed

the real stuff before the Upper Iowa game.

The pep band is probably the best in the country.

**ENTERTAINERS**

Problem of an athletic director for next year is how to fit in a pep band. Team uses No. 1 shaver on trips.
